

MESSAGE

It gives me immense pleasure in conveying my best wishes and felicitations to the National Cadet Corps, on the occasion of 72nd Anniversary.

The NCC is contributing immensely in nurturing the noble traits of character, discipline, leadership and camaraderie, amongst the youth of our Nation. I acknowledge the commendable contribution by the NCC Cadets, during Ex 'Yogdan' in managing the COVID-19 pandemic.

The recent expansion of the NCC in border and coastal districts will transform the youth of these remote areas and motivate them to join the Armed Forces. I am confident that the NCC will continue to carry out its task with zeal and commitment and grow from strength to strength.

On behalf of All Ranks of the Indian Army, I wish the NCC Fraternity success for its future endeavours.

'Jai Hind'

(MM Naravane)
General
