MESSAGE

On the occasion of 72nd anniversary of the National Cadet Corps, I extend warm greetings and felicitations to all Officers, Cadets and Staff of the NCC.

The NCC plays a pivotal role in shaping young, impressionable minds into disciplined, responsible and patriotic citizens, with a strong national character. The values of leadership, and spirit of camaraderie inculcated during NCC training allows smooth transition into society and engenders contribution to nation-building.

The recent initiative to extend the footprint of NCC to coastal and border areas of our nation will enable better integration of all constituents of society, while encouraging a larger cross-section of youth to join the Defence Services. Engagement in coastal areas will also help emphasise our nautical antecedents and foster better understanding of India's maritime character and potential.

On this occasion, on behalf of all ranks of the Indian Navy, I extend my warm greetings and best wishes to the National Cadet Corps in all their future endeavours.

(Karambir Singh)
